PETITION TO REVIVE APPLICATION UNDER 37 CFR §1.137(b)

Applicant hereby petitions under 37 CFR § 1.137(b) to revive the above application, which was abandoned on September 21, 2005, for failure to respond to the final Office Action mailed February 16, 2005.

Applicant submits that the entire period of delay was unintentional. The application was abandoned for failure to respond to the above-mentioned Final Office Action. Applicant, however, submits that the delay was unintentional based on the fact that the Office Action was sent to the wrong address and that the applicant did not have the opportunity to respond to the Patent Office's requirements within the set time period. In a decision dated May 6, 2008 the Office dismissed Applicant's petition to revive under 37 CFR 1.137(a), as being unavoidable because the office took the position that the error was Applicant's. This Petition therefore is in response to that dismissal.

Therefore, applicant requests that the abandonment be withdrawn and that the Amendment previously filed on May 24, 2007, be accepted as a response to the Office action mailed February 16, 2005.

The fee in the amount of \$1540, in payment of the petition fee by a large entity as set forth in 37 CFR § 1.17(m), is being paid concurrently herewith on the Electronic Filing System (EFS) by way of Deposit Account authorization. Please apply all other charges or credits to deposit account 06-1050, referencing the attorney docket number shown above.

Respectfully submitted,

Date: July 9, 2008
